

# 20 2 kWh generac pwrcell energy storage system

## Overview

---

Generac PWRcell is a modular storage system that includes lithium batteries, a battery storage enclosure cabinet, a hybrid solar inverter, and the PWRview app for monitoring. Watch Now PWRcell 2 features one of the highest residential storage capacities available, providing not only additional savings opportunities compared to solar alone. Generac PWRcell: Is It the Right Battery For You?

The Generac PWRcell 2 is a home energy storage system that can provide whole or partial home backup power. PWRcell 2 MAX will feature even more power at launch, with 11. It. With PWRcell 2, you can store solar energy for later use, maintain power during outages, and reduce reliance on traditional utilities. 1 At the head of this clean energy product fleet is the Generac PWRcell, a powerful battery designed to pair with rooftop solar panels.
