

After-sales service for 50kW mobile energy storage containers for ships

Overview

With our customized mobile shore power Energy Storage Systems (ESS) we can serve all types of vessel operators, from inland shipping to the expected new generation of container and passenger vessels. Interport has worked with various power generation and energy customers to deliver unique solutions whether storing generators or providing a unit to recharge batteries. How many containers do you need?

* I agree to receive phone and email communications from Boxhub. The batteries and converters, transformer, controls, cooling and auxiliary equipment are pre-assembled in the self-contained unit for 'plug and play' use. Many of the world's first all-electric and hybrid vessels are powered by a Corvus system. Corvus Energy are pioneers of safe and reliable marine. MOBIPOWER containers are purpose-built for projects where energy demands go beyond what a trailer can deliver. Our solutions are especially suited for agriculture, horticulture and livestock industries, as well as the maritime industry (1 MW+). Shore power, also known as Alternative Maritime Power (AMP), is a game-changer in the.

After-sales service for 50kW mobile energy storage containers for s

[Battery energy storage system \(BESS\) container. BESS container -](#)

We are at the forefront of the global renewable energy storage industry, delivering customized Battery Energy Storage System (BESS) containers / enclosures to meet the growing demand for clean and ...

[Battery Energy Storage System Container , BESS](#)

If you are interested in buying BESS containers, exploring containerized battery energy storage systems, or need a customized energy storage system container, we are here to help.

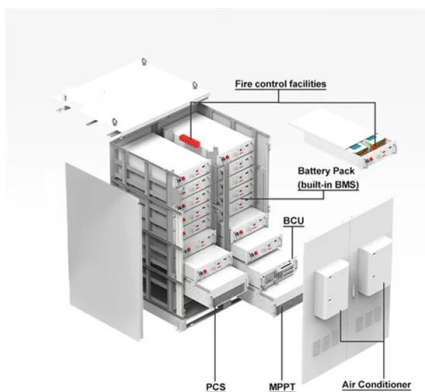

TAX FREE

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW 115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

Energy Storage Solutions

With our customized mobile shore power Energy Storage Systems (ESS) we can serve all types of vessel operators, from inland shipping to the expected new generation of container and passenger ...

[Shipping Containers for Power Generation & Energy Storage](#)

Interport's shipping containers can be fully customized with a wide variety of modification options, depending on your power generation source and battery storage needs.

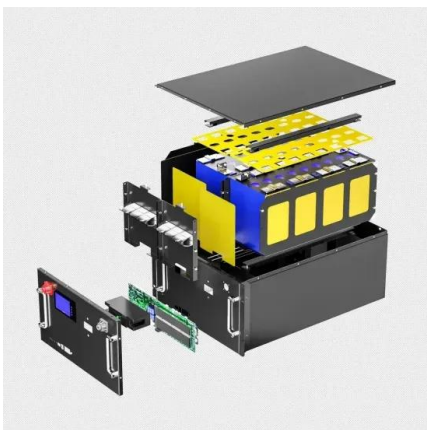

[Containerized Maritime Energy Storage , ABB Marine & Ports](#)

Available for simple on-deck installation for a wide variety of ship types, such as OSVs, container vessels, and ferries. The system integrates smoothly with vessel systems and is ideal for retrofits and ...

[Our products , Corvus Energy](#)

Explore our complete range of zero-emission energy solutions that combine advanced battery technology with AI-powered monitoring for unmatched safety and performance in maritime applications.

[Shipping Containers for Power Generation & Energy Storage](#)

Convert shipping containers into mobile power stations equipped with generators or solar panels. These can be deployed to remote areas or disaster-stricken regions to provide temporary power solutions. ...

[50kW Mobile Energy Storage Container for Ships](#)

Trusted manufacturer Modular Solar Container Solutions LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere.

[MOBIPower Battery Energy Storage Systems .. Off-Grid Solar ...](#)

Containers share common monitoring through MOBICARE(TM) and can be configured for load sharing or redundancy. This modular approach suits large construction sites, remote mining operations, and ...

Energy Storage System

The energy storage unit from KONGSBERG is specifically designed for demanding marine applications and optimised for both hybrid and pure electric vessels. Our Global Customer Support works 24/7 to ...
