

Boston solar glass tax

Overview

If you live in MA, you'll get a credit worth 15% of your solar panel system cost, up to \$1,000, towards your MA state income tax bill. citizen can take advantage of the large, nonrefundable federal solar tax credit. Called the Investment Tax Credit (ITC), this tax incentive allows you to receive a credit worth 30% of the total solar panel. Massachusetts offers some of the country's most generous solar incentives, combining federal tax credits with state-specific programs like SMART (Solar Massachusetts Renewable Target) to reduce installation costs. Solar installers are experts in maximizing your solar tax credits and rebates. We work with a panel of solar experts to create unbiased reviews that empower you to make the right choice for your home.
