

Overview

Find the cheapest EV charge stations near you. Complete, all-in-one EV charging map built to help you find the best prices, avoid idle fees, and plan smarter. Just fast, free, private access, right from your home screen. ☐☐ Tip: Tap "Add to Home Screen" to install EVChargeScout as an app-like experience. But convenience can come at a cost—especially with average DC fast charging rates ranging from \$0. Built for today, ready for tomorrow — Electrify America is leading the way with more speed, a dedicated testing facility, and smarter tech, like our award-winning deployment of battery energy storage systems (BESS). Stay in the loop of current.
