

Cost of a 100kW IP66 battery cabinet for use in Australian ports

Modular design,
unlimited combinations in parallel

BUILT-IN DUAL FIRE PROTECTION MODULE

Overview

PowerPlus Energy wall mounted IP66 rated enclosed cabinet for indoor or outdoor installations. This cabinet holds up to 4x LiFe or ECO PowerPlus lithium iron phosphate batteries (LiFePO₄). The cabinet comes fully assembled including battery cables, connectors. Suitable for Outdoors- Our Slimline enclosures range from IP54 - IP66, ensuring that your outdoor installation will stay safe and out of the elements. They have a shallow profile making it easy to position them without encroaching on space. Designed and manufactured in Australia, the range brings a fresh modern look to energy storage. Batteries and battery disconnect are not included. In Australia, more and more businesses and organisations are going solar, and storing power with a battery like this just makes sense.
