

Croatian environmentally friendly energy storage battery manufacturer

Overview

Croatian firm IE-Energy and Slovenia's NGEN are developing a battery system for smart energy storage, with a total operating power of 60 MW and a capacity of 120 MWh. The European Bank for Reconstruction and Development (EBRD) is providing a direct equity investment of up to €16. With over 50 years of R&D experience, their products are known for longevity and durability, making. Croatia is preparing to build Eastern Europe's largest energy storage project. 9 million) to develop a 50 MW storage system, potentially.
