

Dhaka new solar panel manufacturer

Overview

German-based Sonnex Energie GmbH will establish a 500MW Solar PV module manufacturing hub in Bangladesh. SEPC is a prominent manufacturer and service provider in Bangladesh's solar energy sector, focusing on comprehensive solutions for renewable energy projects. They develop various solar installations, including utility-scale projects and innovative systems like floating solar power plants. We provide complete solar energy solutions for homes, offices, and industries. With advanced technology and expert EPC services, we help reduce electricity costs and carbon footprint. Your reliable partner for smart and affordable solar energy — Dhaka Solar Ltd. Established in 2017 in Denmark, our goal is to encourage the use of solar projects in Bangladesh and provide our customers with sustainable, green, and cheaper energy. Solar power has emerged as a key player in addressing the country's growing energy needs.
