

Dili power generation cabinet manufacturer

Voltage range:691.2-947.2V

>6000 cycles(100%DOD)

Rated battery capacity:
216KWH (customizable)

EMS communication:
4G/CAN/RS485

Overview

In an era where flexibility and sustainability dominate energy discussions, Dili power generation container manufacturers are emerging as game-changers. Our company was successfully listed on the National. What is a Tier 4 containerized generator?

Our Tier 4 containerized generators are high-powered —500 kW to 1250 kW— units packaged in 30-foot or 48-foot ISO containers. GCS low-voltage draw out type switch cabinet is a combined cabinet type assembled by factory with standard modules. It is suitable for power generation and power supply system with three-phase AC frequency of 50-60h, rated working voltage of 400V (690V), rated current of 5000A and below, as power. Tonkee stands as a powerhouse in the electrical equipment industry. As a manufacturer, we focus on producing premium power distribution cabinets, stainless electrical enclosures, burn-in racks, and operation consoles, all made in China.

Dili power generation cabinet manufacturer
