

Distributor of Dustproof Intelligent Energy Storage Cabinets for Mining

Overview

Wenergy provides fully integrated, outdoor-rated ESS cabinets using LiFePO4 technology with modular design and robust safety architecture. Our solutions are engineered for long-term operation, scalable expansion, and seamless integration into existing commercial and industrial power. Machan offers comprehensive solutions for the manufacture of energy storage enclosures. We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services. One energy storage cabinet consists of inverter modules, battery modules, cloud EMS system, fire suppression system, and air-conditioning system, which can be installed both indoors and outdoors.
