

Electricity bills pristina

Overview

A protest against an upcoming 21 percent increase in the price of electricity in Kosovo will be held in the Kosovo capital, Pristina, this Friday, February 6, Kosovo media reported. A 1 percent increase came into effect. Business owners in Kosovo protested power market reforms that could have tripled their electricity bills from June 1. With banners and opposing slogans, the protest began near the facilities of KEDS and KESCO, the companies responsible for the distribution and supply of electricity. The gathering is scheduled for tomorrow, February 6, at 1:00 p.m. Holding slogans such as "The state is silent, citizens do not stop", "New tariffs, new injustice", "KEDS should be returned to the people", "Impairment of the majority, enrichment."
