

Grenada solar panel brand manufacturer

Overview

Grenada's leading solar company. Power Shift provide solar systems for commercial and residential applications. Solar panels generate clean energy from your rooftop to save you money. Call or email Power Shift and we will explain each step of the. We utilize Deye brand hybrid inverters alongside LFP 'power-wall' batteries and premium Jinko all black high corrosion resistance panels that are rated for high wind loads, ensuring a resilient solution with an app for easy monitoring. Our systems promote energy independence, functioning. Price includes everything: panels, battery, inverter, installation, permits, and 25-year warranty. Most installers sell equipment. Through a thoughtful, prudent approach, our goal is to stabilise electricity prices in the short-term, and potentially lower prices in the future.
