

How is the quality of LONGi Solar photovoltaic panels

Overview

LONGi is a reputable solar module manufacturer with high-quality panels and with a solid review score of 4 out of 5 on SolarReviews. Additionally, LONGi was among the 10 best solar panels of 2025 according to our experts! Our list was compiled based on numerous factors, most notably the financial strength of the company, length of business, and customer reviews. We will break down the types of LONGi solar panels available. The panels from LONGi Solar are the ones of the most efficient solar panels with almost 25% efficiency ratings due to HPBC technology. These panels exhibit a lower-than-average annual degradation rate of approximately. LONGi Solar is the world's largest manufacturer of solar products, including wafers, cells and panels and was partly responsible for driving the solar industry towards more efficient monocrystalline PERC cells. Started barely two decades ago, in 2000, this Chinese company has made headlines in the global solar market because of its incredibly fast growth. The company's latest offerings, such as the Hi-MO 6 series, boast efficiencies exceeding 22.5%, significantly higher than many of its competitors.
