

How much does Riga solar panels cost

Overview

For individual solar panels, prices can range from approximately €200 to €500 each, depending on their efficiency and quality. This price often includes the cost of the panels themselves, along with inverters. The national average cost of solar panels is \$2.66 per watt, but in Riga it's 4 per watt. Did You Know?

Riga's solar panel installations increased by 140% between 2020-2023, driven by EU green energy initiatives and local subsidy. Most homeowners spend between \$12,600 and \$33,376 to install a complete residential solar system in 2026, with the national average at \$19,873 before incentives.
