

Is Guan Photovoltaic Panel Installation Hiring

Overview

We are currently looking for an experienced Solar Panel Installer to assemble, install, or maintain solar photovoltaic (PV) systems on roofs or other structures in compliance with site assessment and schematics. Assemble solar modules, panels, or support structures, as specified. Install required labels on solar system components and hardware. Most solar panel installations are done outdoors, but PV installers sometimes work in attics and crawl spaces to connect panels to the electrical grid. Installers also must. Support the Crew Lead and Electrician on the successful install of Tesla's solar products. Ability to safely handle power tools, hand tools, ladders, inverters. -*New Installs (\$300 per day) - (\$200 half day). We are currently in search of a skilled Installer who will be responsible. WHAT YOU'LL NEED WHAT WILL SET YOU APART WHAT'S IN IT FOR YOU **All full-time, non-union employees are eligible for the following benefits (including full-time interns; part-time interns are excluded) And more! \$34.
