

# Long-term discounts on outdoor telecom enclosures for oil refineries

## Overview

---

This article explores the many advantages of telecom cabinets designed for outdoor deployment and how choosing the right solutions, like Raycap's Fixed Telecom Cabinets, can make a significant difference in performance, durability, and long-term costs. When your network infrastructure demands reliable outdoor protection, American Products delivers weatherproof telecom enclosures engineered for performance and built to last. Our selection include NEMA 4 and 4x rated cabinets along with air conditioning or heating based on your environment. Our enclosures are engineered to protect sensitive electrical and control equipment in hazardous locations, ensuring compliance with industry safety standards.
