

# New delhi outdoor energy storage field

## Overview

---

NEW DELHI | 8 May, 2025 — The GEAPP Leadership Council (GLC) today officially announced the launch of India's first utility-scale, standalone Battery Energy Storage System (BESS) project, the largest of its kind in South Asia. The Kilokari-based facility aims to enhance electricity supply for over 100,000 residents, ensuring stability during peak demand and outages. Delhi powers up, city's first big battery boosts energy backup. This is the first project led by the BESS Consortium, a. Delhi power minister Ashish Sood on Thursday inaugurated a 20MW/40MWh stand-alone utility-scale battery energy storage system (BESS), at Kilokri in south Delhi, and said that it will be used to improve power supply and manage peak power demand. With rapid urbanization and rising energy demands, New Delhi faces a critical challenge: balancing reliable power supply with. AmpereHour Energy, in partnership with Indigrid and BRPL, delivers a pioneering 20 MW / 40 MWh BESS in South Delhi, enhancing grid reliability, cutting emissions, and setting a new benchmark in clean energy storage solutions.
