

Pretoria Folding Container Mobile Type

Overview

Each unit is pre-engineered to fold into a compact, easy-to-transport format, dramatically reducing delivery and storage costs. Once onsite, the building unfolds into a fully functional space in minutes, requiring minimal labour. Our products include foldable container buildings, expandable container houses, and flatpack container structures — all designed for rapid deployment and long-term. Whether you need temporary office space, secure storage, or a mobile workshop, MOCON's modular containers are designed to meet your needs — wherever you are. [What Are Mobile Containers?](#)

Mobile containers are portable, prefabricated structures that can be moved from one location to another. So if you are interested in buying an as-is or converted container, please complete our online form or give us a call, and we will connect you with a leading container.
