

Price of IP65 Substation External Cabinet for European Substation Users

Overview

For reference, a 500kVA European-style prefabricated substation is priced between 50,000-120,000 RMB, while a 2000kVA model ranges from 100,000-200,000 RMB. Special configurations, such as those for new energy charging stations, may increase costs by 30%-50%. The YB series European prefabricated outdoor box-type substation developed and produced by LUGAO integrates high-voltage electrical equipment, transformers and low-voltage electrical equipment into a compact and complete distribution device. With its compact design, safety features, and modern appearance, it has become widely adopted for power supply in.
