Warranty: 10 years

Overview

While exact unit prices vary, several thousand dollars per cabinet is a common investment that field engineers make to achieve reliability under harsh weather conditions and support backup power. The market for outdoor telecom cabinets was valued at USD 5.1 billion in 2024 and is projected to reach USD 8. Costs vary widely, from affordable models to premium designs tailored for specific needs, reflecting the diverse requirements of the telecom industry. Telecom cabinets, Charles Universal Broadband Enclosures (CUBE) are constructed to withstand the elements and provide superior protection for active electronics in all environments.
