

Qatar energy storage container system manufacturer

Overview

Energy Design and Services Company (EDS) in Qatar is now a partnership with Greenland and Mr. Suhail Farah partner and Managing Director of the company. Has been first established in Bahrain in 1974 as a leading Electro-Mechanical contractor. ENGIE. But here's a plot twist: this tiny Gulf nation is quietly becoming a heavyweight in energy storage container solutions. With temperatures that could fry an egg on asphalt (seriously, summer averages hit 41°C/106°F), Qatar's push for reliable energy storage isn't just smart – it's survival. Whether for off-grid sites, oil & gas installations, or industrial operations, our storage technologies ensure maximum uptime, operational. Strategically located in Bujood along Al Majd Road, just 12km from Hamad Port and 40km from Doha, we provide end-to-end storage and logistics solutions for businesses, government entities, and individuals. The prefabricated system consisting of UL9540A approved lithium-ion battery strings, BMS, EMS, PCS, transformer.
