

Recommended Purchase of Foldable Containers for Base Stations

Overview

Prefabricated container houses are ideal for military uses, which provide strong, flexible, rapid deployment and mobile structure for demanding environment of military operations. They can be used as barracks, command centers, dormitories, temporary toilet and hospital. They expand from a shipping footprint of 1/6th their assembled volume. That means they can be transported easily by land, by sea or by air - and take up far less storage space. Armag Corporation designs and manufactures portable armories that meet the highest demands of the U. These container houses meet. Tailor-made solutions dedicated to armies: command centers, field hospitals, military shelters and more, fuel service station (light and heavy vehicles, aviation, navy), refueling solution. The heavy duty, extra large.
