

Santo Domingo environmentally friendly solar folding container wholesale

Standard 20ft containers

Standard 40ft containers

Overview

Founded in 2008, EcoDirect is a value added distributor that helps Dominican installers, do-it-yourselfers (DIY), homeowners, businesses and commercial projects in Santo Domingo, Santiago, Punta Cana, La Romana and throughout the Dominican Republic with project design, supply. Founded in 2008, EcoDirect is a value added distributor that helps Dominican installers, do-it-yourselfers (DIY), homeowners, businesses and commercial projects in Santo Domingo, Santiago, Punta Cana, La Romana and throughout the Dominican Republic with project design, supply. We make mobile solar containers easy to transport, install and use. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar. LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. Product types: backup power systems, Wind turbines batteries emergency backup, battery charger controllers, 110-220 volt solar inverter. The utility model discloses a folding type photovoltaic power generation container, which relates to the technical field of outdoor living containers and comprises a folding type container, a High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage.
