

Signage spotlight with bracket solar energy

Overview

All-in-one solar uplight for billboards, monument/storefront signs, and entry features—no wiring or trenching. Recycled Claim Standard (RCS Blended) certified products contain recycled content (>50%) that has been independently verified at each stage of the supply chain, from the source to the final product. Solar sign lights offer the perfect lighting solutions for outdoor locations. Designed for a range of applications from billboards to pathways, this commercial-grade fixture offers unmatched brightness through energy-efficient OSRAM LED chips. Showcase your business with our reliable solar-powered sign and billboard lighting. Delivers 4hrs of full, 2000-lumen brightness after dusk (peak traffic) then. This compact, 45 LED, solar sign sign light is a popular choice for customers looking to illuminate a signage using an economical, easy solution.
