Smart grid eirgrid

[Irish Grid Dashboard by Green Collective](#)

Latest charts and historical data for the Irish grid.

[smartgriddashboard.eirgrid](#)

The Smart Grid Dashboard is an EirGrid Group web-based application that enables users to view and compare some of the key all island power system statistics and graphs in one location.

[Real Time System Information](#)

Learn about energy production, demand and consumption using the Smart Grid Dashboard. Using real-time data, the dashboard allows you to view and compare energy data for Ireland, Northern Ireland, ...

Home , Eirgrid

We plan, manage and develop Ireland's high-voltage electricity grid for a sustainable future. This grid is connected to the lower voltage distribution system managed by ESB Networks, Ireland's Distribution ...

Smart grids: A forgotten key to decarbonisation

Optimising the operation of the Irish electricity network is therefore an absolute necessity. Ireland's grid must embrace the data analytics, and digitalisation tools available and develop a truly ...

EirGrid Group plc

The Smart Grid Dashboard is an EirGrid Group web-based application that enables users to view and compare some of the key all island power system statistics and graphs in one location.
