### [What Does The Fault Light Mean On A Power Inverter?](#)

Do I Need to Clean My Solar Panels?How Do I Maintain My Solar Panels?Do Solar Panels Need to Be serviced?Solar panels have no moving parts and are thus basically maintenance-free! They do not need to be serviced at all, other than occasional cleaning. Inverters and batteries are arguably the most vulnerable part of your solar system and will need to be serviced or replaced every decade. See more on solvoltaics
